

Piedmont Technical College Engineering and Industrial Technology Camp Success Student Application

*During the summer of 2009, Piedmont Technical College will host Engineering and Industrial Technology summer camp for rising 7th, 8th, and 9th graders. This camp will allow you to learn more about exciting careers in engineering technology. It will be a fun packed technology exploration camp. If you are interested in attending the camp please discuss your interest with your guidance counselor and complete the following information. Your guidance counselor and a Piedmont Technical College representative will review all applications and decide who is eligible to attend the camp from your school. In some instances a company or industry in the area may provide scholarships for students and they will be part of the review process. **All interested students are encouraged to apply by May 1, 2009.***

Name: _____ Social Security Number: _____ Date of Birth: _____

Address: _____ City: _____ State: _____ Zip: _____
